**WE CHANGE YOUR DREAM !**

**INTERNATIONAL**  
Life Line Foundation

## What Is P2P ?

**Crowd funding is the use of small amounts of capital from a large number of individuals to finance a new business venture. Crowd funding makes use of the easy accessibility of vast networks of people through social media and crowd funding websites to bring investors and entrepreneurs together, with the potential to increase entrepreneurship by expanding the pool of investors beyond the traditional circle of owners, relatives, and venture capitalists.**
